Holy Family Has a Special Guest

We were fortunate thanks to our Holy Family Foundation to have a special guest presentor this week. Vinny Chapman, The Dancing Umpire from the Savahan Bannanas, on Tuesday, November 17th. What an amazing surprise for our students as none of them knew he was coming to spend the morning with us. He put on an amazing assembly and then proceeded to visit all the classrooms to talk with each class and take a class picture. Thank you Holy Family Foundation for such a great experience.

Hello Holy (healthy) Families! Last time my note was about dressing appropriately for the weather. This time I am going to ask that everyone eats healthier for the winter season! It's a time of year when it is cold outside and sometimes we get stuck in the house/school so we are not getting as much fresh air.

Something we can control is the food we eat. Try to eat extra fruits and vegetables so you can benefit from the vitamins and minerals. Try to ensure the appropriate water intake so that you are hydrated. Also make sure to get enough sleep, restoring your body so it can fight any little germ that might come along. On the occasion you do get sick, please stay home.

Germs are something we prefer NOT to share. Do your best, that's all I ask....
