LIBRARY INFORMATION JANUARY 2024

This month we will be showcasing literature that fits with "I Am An Artist" in both the fiction and nonfiction sections of the library. Students can learn about famous artists, different types of art, and backgrounds about buildings and designs! Primary grades have a special section devoted to one of the most creative artists in children's literature, Eric Carle. Please encourage your child to share what they have been reading in their library book and take some time to make some art together as a family. Enjoy reading and artwork all this month!
