A few weather related reminders for our students

As the weather is changing to colder temperatures, we would like to remind our families that as the temperature is changing, we will still go out for recess. Please send your child to school with a warm coat, hat and gloves.

If there is snow on the ground, students will need boots also to play on the playground and field.

Thank you for your cooperation.

Know someone who would like to send their student to Holy Family?

Know someone who would like their student to attend Holy Family? We have limited seats in some of our classrooms. We would love to have them join us here.

Send this link to them to enroll or have them call us here at the school, 515-262-8025
