***Spring Has Sprung at Holy Family: Celebrating
Cultures, Traditions, and New Beginnings***

Spring is in the air, and with it comes a season of renewal, growth, and excitement at Holy Family! As the days grow longer and the weather warms, we are grateful for the opportunities to come together as a community to celebrate, learn, and prepare for the busy months ahead.

Our students have already kicked off the spring season with Track, and we look forward to the many events and activities that lie ahead. The Easter season is just around the corner, bringing with it a spirit of reflection and renewal. Soon, we will also be celebrating Field Day, a fun-filled event that fosters teamwork and school spirit, as well as the much-anticipated graduation of our 8th grade students.

We are excited to share these moments of joy and accomplishment with you and your families as we continue to grow together in faith and community.

Culture Day: A Celebration of Asian Traditions

One of the highlights of this spring so far has been our Culture Day, where we took a deep dive into the rich and diverse cultures of Asia. Students had the chance to learn more about different Asian countries, their unique traditions, and the fascinating history behind them. From cultural lessons to the vibrant sounds of traditional music, it was a day filled with discovery.

Of course, no celebration of culture would be complete without food, and our students enjoyed sampling delicious dishes from various Asian cuisines. It was a meaningful way to embrace the diversity of our world and appreciate the beauty of different cultures.
